Subject: Notice of the Apportionment for the English Language Acquisition Program,
Fiscal Year 1999-00

This apportionment, in the amount of \$49,994,100, has been made from funds provided in Item 6110-125-0001 of the 1999 Budget Act (Chapter 50, Statutes of 1999). This apportionment provides funding to each local educational agency (LEA) for each pupil enrolled in any of grades four through eight pursuant to AB 1116 (Chapter 71, Statutes of 1999).

Funding for each eligible LEA was calculated pursuant to *Education Code* sections 404(a)(1) or 404(a)(2). These funds are to be used to conduct academic assessments, provide instructional programs, provide supplemental instructional support, and coordinate services and funding sources available for English Language Learners.

Funding for charter schools that did not apply on their own behalf has been included in the chartering agency's entitlement, but is not separately identified in this apportionment. The charter school's portion of the entitlement must be based on the provisions of the charter or by mutual agreement between the charter school and the chartering agency. Charter schools that have applied for funding are listed separately.

Warrants will be mailed to each county treasurer approximately four weeks from the date of this Notice. For standardized account code structure (SACS) coding, use Resource Code 6286 English Language Learners (Student Assistance), and Revenue Object Code 8590, All Other State Revenue. For non-SACS coding, use Income Account Code 8590, All Other State Revenue. County superintendents of schools are requested to immediately inform LEAs of all pertinent data regarding this apportionment.
